

HOW TO BE BRAVE

WELCOME TO WORSHIP

Great to have you join us for worship today! There is always lots happening at The Army and you are invited to come along and participate. We have a number of worship gatherings through the week and while each has its own particular "flavor" there is nothing to say you can't feast on them all!

Today we finish our Be Brave series with the focus: Be Brave & See it Through." Looking again at the life of Joshua, who was there from the start with Moses and the escape from Egypt, spent 40 years in the desert and then lead the people into the promised land. A lifetime following God which included a long time waiting for the promise. When the promise was finally fulfilled Joshua was ready. What did Joshua do and learn in this period of waiting for the promise? What was it about Joshua that made him ready for action when it finally came time to step into the promised land?

Many of us are waiting on God for a promise. What might we learn from Joshua's life of faith that could help us? How could we help each other?

Praying that God speaks, encourages and builds you up this morning as we spend time in his presence.

Dean & Vicki,

Corps Officers

P.S. Majors Dean & Vicki will be enjoying their annual furlough for the next 4 weeks. We have good speakers lined up so don't miss a Sunday!
