# LIMITLESS

## LIMITLESS LOVE

Everything in our world has limits. As humans we always run up against limits; speed limits, time and energy limits, even money limits. But we serve a God who is limitless. He doesn't run out of energy, time or resources.

Over the next few weeks, we want to explore some of the characteristics of our limitless God, beginning today with the **limitless love of God**.

Scripture reminds us regularly that there are no limits to God's love. God is Love (1 John 4:8). His love endures forever (Psalm 136). His loving grace abounds beyond sin (Romans 5:20). He pours out love and forgiveness for the prodigal (Luke 15) and He crowns us daily with loving kindness and tender mercies (Psalm 103:4)

Let's live in the limitless love of God.

Let's love out the limitless love of God.
