LIMITLESS

LIMITLESS FAITH

What is your opinion of what God can or can't do? Do you see God as limited or limitless?

What do you see God doing in your life at the moment? If you don't see Him doing anything is it because you believe He can't or you believe He won't?

Faith is defined as complete trust or confidence in someone or something. As a disciple of Jesus our faith is in God. Faith causes us to act on what we haven't experienced yet, to believe promises in the Bible that haven't been fulfilled yet, and to trust God when our situations haven't changed yet.

Does it make sense to have faith in God? Is it possible to release all our fears and failures into God's hands? It does make sense and it is possible but at times we limit our limitless God and instead of believing His promises we expect Him to let us down.

The good news is that God in His grace and mercy gives us faith as a gift. Accept this gift today and live fully convinced that God is able to do whatever He promises.
