

## BE THE CHANGE

The Salvation Army founder William Booth always understood that God's love was to be offered to others; that people in real despair need real hope, and real hope is released through love-filled, practical action.

In 1886, Booth called Salvationists to give sacrificially, to deny themselves so that they could offer God's love to a hurting world. Funds raised through the Self Denial Appeal support the mission and community development work of The Salvation Army in developing countries around the world.

The theme for this year's appeal is Be the Change.

The Self Denial Appeal is your opportunity to 'be the change' in the world.

### *Our National Vision*

Wherever there is hardship or injustice  
Salvos will live, love and fight  
Alongside others  
To transform Australia one life at time  
With the love of Jesus

**Self Denial** In 2018 our Corps generously gave \$44 306 toward the Self Denial Appeal. This year we believe that we can increase this by 10% and will make our goal \$48 736.

Will you prayerfully seek God's heart as you consider your sacrificial gift to the Self Denial Appeal this year?

## Thank you for your generous support
