## BE THE CHANGE

Mind the gap is an audible or visual warning phrase issued to rail passengers to take caution while crossing the spatial gap between the train door and the station platform. In society we come across gaps that exist in how people are treated or valued depending on race, gender, wealth, age etc. As Christians are we minding the gap, or do we step over it just as we casually step over the warnings to board public transport?

In this week's Self Denial video, we see how The Salvation Army in India saw a gap in society, found a way to bridge that gap and in turn to transform many lives. Our giving to the Self Denial appeal allows us to also be part of the change that brings about transformation in families and communities. There is also a challenge for us here in our country and city to seek God's heart on how we can be used by Him to bridge the gaps that exist in our society with the love of Jesus.

### *Our National Vision*

Wherever there is hardship or injustice  
Salvos will live, love and fight  
Alongside others  
To transform Australia one life at time  
With the love of Jesus

**Self Denial** In 2018 our Corps generously gave \$44 306 toward the Self Denial Appeal. This year we believe that we can increase this by 10% and will make our goal \$48 736.

Will you prayerfully seek God's heart as you consider your sacrificial gift to the Self Denial Appeal this year?

The Self Denial Devotional Study guide is available on <https://www.selfdenial.info> or a printed copies are available on the foyer table or corps library

An important ministry of our Corps is the DVD care and Connect ministry. Each Sunday our meetings are recorded and a copy is sent out to many people who are unable to share in worship with us in this physical location.

We thank John Moore who volunteers to send these out twice a month. John will be overseas for at least 6 months and we need another volunteer to take on this responsibility in his absence.

The time required is two half days a month. If you feel that you could volunteer to do this, please see Pamela
