Self Denial funds meet practical needs that have a flow on effect that can bring about change to whole communities and a generation of people. Author and social justice activist L R Knost says “Until our world decides that every human matters, that everyone has a right to food and safety and freedom and healthcare and equality, it is the obligation of those privileged to have food and safety and freedom and healthcare and equality to fight tirelessly for those who do not.

A strength of The Salvation Army is that we care for the whole person. William Booth said “you cannot warm the hearts of people with God’s love if they have an empty stomach and cold feet.” The way we outwork the gospel is very practical and hands on. We don’t just speak about God’s love, we demonstrate it by meeting people’s immediate needs and finding long - term solutions.

You have the opportunity through your giving to this year’s Self Denial Appeal to be the change by investing in the lives of others who will bring change to their community.

Donating to the 2019 Self Denial Appeal

Over the past few weeks you have been encouraged to prayerfully consider your giving to this year's self-denial appeal. On Sunday **April 7** as a Corps we will bring our financial gifts and place them on the altar as a sacrifice and an offering to God and for the benefit of the International Salvation Army.

You can make a financial donation to this year's appeal via credit card or cash. Your donation can be specified as either Tax deductible or Non –tax deductible.

Non-tax deductible or Mission Support Funds support welfare initiatives and build the organisational strength of The Salvation Army in developing countries, through, for example, the provision of church halls, residences for officers, computers and training.

Tax deductible funds are used to support community development initiatives such as poverty alleviation and clean water.

Envelopes are available today for you take as you continue to prayerfully consider what God is asking you to give on Sunday April 7.

Praying for our children and youth

The weekend of 29-31 March is a significant opportunity for us to be in prayer for our children, youth and their leaders. Youth Councils will be happening at Riverview over that weekend and a number of our youth and young adults will be attending.

On Sunday 31 March we have the opportunity to focus on our children and to pray for them. We are blessed with children, youth, young adults and leaders in this Corps and it is our prayer that each of them will come into a deeper relationship with Jesus and be disciples in their schools, universities and places of work.

Praying for Others We have a great opportunity to pray for and care for each other in our Corps. Your prayers are appreciated for those who are unwell or are unable to attend the meetings, Anne, Sandra & Lindsay, Sheila, Tam McD, Ruth H, Evelyn W, Ron T, Fay F, Stuart and Joyce D, Basil and Anne B, Margaret S, Dulcie and Alan D, Dirk and Glenda D, Irene F, Carmel L, Graeme O, Colin and Ann P and Major Leona S.
