

Meeting with God consistently is the foundation of everything God desires to give us in this life. Prayer allows access to deep encounters with the heart and mind of God.

Jeremiah 33:3 says, ***“Call to me and I will answer you, and will tell you great and hidden things that you have not known.”*** God longs for us to call to him as our source of life, wisdom, guidance, and truth. He longs to answer our calls by shepherding us into a lifestyle of continually seeking and receiving revelation from his word and Spirit.

Psalm 46:10 says, ***“Be still, and know that I am God.”*** In stillness we grow in our knowledge of who God truly is. God longs to make us a people who know him the way you know your family and friends. He longs to make us a people who live, think, and work out of true encounters with him. Learning to encounter God throughout your daily life starts with getting alone in the secret place, quieting your heart, reading God’s word and talking to Him in prayer.

May your ears and heart be opened to receiving the knowledge of your Father’s love, grace, and purpose for your life. May you experience to greater levels the joy of intimacy with the God of love. And may your heart come alive in the stillness of encountering the God who dwells in all of eternity.

BIBLE STUDY GROUP

Many of us love to study the Bible and many of us realise that we

encounter God as we read the Bible. Doing this with other people is a great source of encouragement in our Christian walk. Would you consider either offering your home as a place that people from our Corps who live near you could meet to read and learn more from God's word either weekly or fortnightly? Would you consider leading a small group in or near your home? Please speak to Sharon or Pamela if you are happy to do this.

mainly music

Last Thursday we celebrated Mother's day at mainly music. A beautiful morning tea was provided by ladies in the Corps.

OPEN HOUSE & Busy at Work

doing life together

Earlier this year a group of students undertook training in the area of kitchen operations and food preparation using our kitchen and facilities. As part of their training they prepared food for Open House and GSA as well as serving and cleaning up after the meal for Open House. On Wednesday 7 May they graduated with a plan to seek employment. It was a delight as The Salvation Army to partner with this group. We look forward to again working together later this year.
