

## Meet me Jesus

When God wanted to tell human beings about himself, when he wanted to give us good news about salvation, when he wanted to give us a message about his love for us, he sent Jesus. Jesus is God come to us as Saviour, in human flesh. He is God with us. Jesus is the place where we meet God today. When you look at Jesus, you see the face of God. God wants to be seen and to be known in his son. When you hear Jesus teach; you hear God teach. When you come to experience Jesus; you experience God. In Jesus we see God. When Jesus became a man he showed that God was not merely a principle but a person. Not a myth, but a man who was God at the same time. Not a figment of someone's imagination, but a living presence. Jesus was not an idea of God, not a picture of God, but God himself in human form. He was real.

Jesus is not like some distant relative that you see every couple of years. He wants to take up residence in your life. He wants to be the "go-to" person of your life. He wants to be engaged and involved. Most often we think of God as being up there, far removed from the cares and concerns of this created world. But because Jesus became a man, God came down here, living in our midst. We could never reach him up there, but in love he came down here to us. He became touchable, approachable, and reachable.

## *Our National Vision*

Salvos will live, love and fight

Alongside others

To transform Australia one life at time

With the love of Jesus

# RED SHIELD APPEAL

Thank you so much for the way you have supported the appeal.

Many people have been involved in collecting, counting, feeding, administration, organizing and praying. We were able to collect \$8060 around Brisbane City at the static locations and many other people helped other areas with the door-knock. This is a fantastic result and would not have been possible without you.

## Mystery Tour

On Tuesday 14 May the Seniors group embarked on a mystery tour to..... Government House! It was a beautiful day to have morning tea and tour around the house. His Excellency the Honourable Paul de Jersey AC personally spoke to the group and thanked The Salvation Army for the work that is done in the community.

Thanks Gwen for organizing a great day out.

## mainly music baby baskets

As part of the mainly music ministry, we would like to be able to give mums who are expecting a baby a little basket of goodies they can use. You can be involved in this by simply buying something when you go shopping and bringing it when you are next at BCT. It can be left in the office marked mainly music. What a great opportunity we have to bless the mainly music families.
