

We are each called to ministry in one form or another. Although we tend to think of ministry as something that's done inside a church, in reality it includes everything we do all week long, no matter where we are. In God's eyes, there's no division between sacred and secular activities.

For example, while Luke was a doctor by profession, he was also an evangelist, a missionary, and a divinely inspired writer of Scripture. His career was not his primary source of purpose and self-fulfillment; rather, it was a means through which he served God by ministering to others.

Luke was perfectly suited for the work God planned for him. He had an analytical, detailed mind which made him a skilled doctor. It also served him in carefully investigating and writing an accurate account of Jesus' life (the gospel of Luke) and the events of the early church (the book of Acts).

Each of us has been created and fitted by God to fulfill the particular ministry He has chosen specifically for us. We have been placed on this earth not simply to enjoy ourselves, accumulate wealth and achieve prominence, but to serve God. Our responsibility is to respond with obedience to His call.

***For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do. Ephesians 2:10***

*Our National Vision*

Wherever there is hardship or injustice

Salvos will live, love and fight

Alongside others

To transform Australia one life at time

With the love of Jesus

## Generous Community

In the past few weeks our Corps has been blessed with financial donations from a number of individuals. We praise God for them and their gift which allows us to both put money into our local mission and purchase some items to enhance our current and future ministries.

Last Sunday \$250 was given through the offering to support the Primary and Kids Connection ministries.

A donation of coats and boots was received from QLD Police this week which we can give to people in need

What a blessing to be part of a generous community.

## TV Screen

Have you noticed the screen in the front window on Ann St? It is advertising who we are and what happens in this Corps. It is a television that someone didn't need and was given to our Corps so we have been able to recycle it.

What a great term we had  
– lots of fun and more  
new families.

Two families have attended on a Sunday – one at Easter and one for our YP Anniversary. We are partnering with the Gideon's (thanks to Marzley & Bevon) to provide New Testaments in the languages of the families who attend. Thank you to the great team of people who support mainly music either by attending and serving or providing morning tea for the adults.

We will recommence mainly music on Thursday 18 July.

Thank you to the friends who sent cards, came to visit and phoned me in relation to my recent surgery.

Recovery is progressing well. Gwen Fagence
