**Welcome to Worship!**

It is great you are here! We encourage you to join in with the experience of worship: sing along with us, pause and reflect, hear the Word of God and listen for the voice of God speaking to your soul. You are not here by accident so ask God what does He want to say, show or give you today?

I saw during the week that "The Block" is returning soon and enters it's 15th year. Scott Cam commented, that with all the renovations we are slowly transforming Melbourne. The Salvation Army has been around for 138 years and is looking to *Transform Australia one life at a time.*

We are about caring for people. Being there when people need us most, offering care and compassion as a sacred encounter with transformative potential. Why not look out this week for your opportunity to "be there" for someone, to journey with them in the moment and graciously share the Good News of Jesus. And join us in praying for the transformation of our nation.
