Altar Service 5th May

Welcome to Worship

It's great you are here!

We encourage you to join in with the experience of worship: sing along with us, pause and reflect, hear the Word of God and listen for the voice of God speaking to your soul. You are not here by accident so ask God what does He want to say, show or give you today?

Sacrificial giving makes a life-changing difference to people living in poverty. Funds from the Self Denial Appeal bless individuals who are in need and encourage those who work throughout wider Army world. Please prayerfully consider how you can respond to the call to give one week's salary on missionary service Sunday. Thank you for your support of the Self Denial Appeal.

This week we are introduced to Heru, an Indonesian fisherman and father. The past generosity of the Self Denial Appeal changed his livelihood.

"I prayed to God for help and he provided through our Salvation Army family I am so grateful. As thanksgiving, we want to bless others as we have been blessed. We all give back to our church and our community." – Heru, Indonesian fisherman.

We can learn from Heru, who understands the ways of God. He expressed his dependence and need for God in prayer and recognised that God provided through his Christian brothers and sisters. His corps provided five fishing boats for those in the community who couldn't afford to buy or rent a boat.

In gratitude and thankfulness, Heru and the other fishermen want to now be a blessing to others in the community. They understand that their blessing brings with it the opportunity and the responsibility to reach out and bless others. Heru, our Indonesian brother, understands this mission.

This time of Self Denial is a time for us to reflect on the way that God has blessed us in Jesus, and how we may reach out to be a blessing to others.

For Your Comfort - A parents room is on the left of the foyer and bathrooms are downstairs one level. A lift is available for those not good on stairs, and access is through the main worship hall.
