# EXALTING THE FATHER

Brisbane City Temple

## Welcome to Worship

We are pleased you have joined us today as we worship God together. We believe that when we pray and worship God speaks. So don't be surprised if you feel a stirring in your heart during the service. And know this, God is good and has a heart to bless and benefit you. To give you a hope and a future. So embrace His work in your life.

### EXALTING GOD

Throughout his life Jesus always gave honour, praise and recognition to the Heavenly Father. With great humility Jesus made these comments:

*By myself I can do nothing... I have come down from heaven not to do my will but to do the will of him who sent me... my teaching is not my own... I seek not to please myself but him who sent me...*

The New Testament Church embraced the pattern of exalting God the Father but also gave worship to Jesus for his work in the world, his sacrificial death and resurrection, and his position with the Father in heaven.

Exalting God, or worship, is praising God for who He is, what He has done for us and who we are in Christ Jesus. Today we will do that in song and in word and we are glad that you have joined us to lift up the name of Jesus.

Would you like prayer? Are things happening in your life or with those you care about? Would you like others to pray? Write the details down on the *Prayer Card* and return to the Corps Officers or hand in as you leave. Prayer cards available in the pew or the foyer.
